ONCE UPON A TIME...

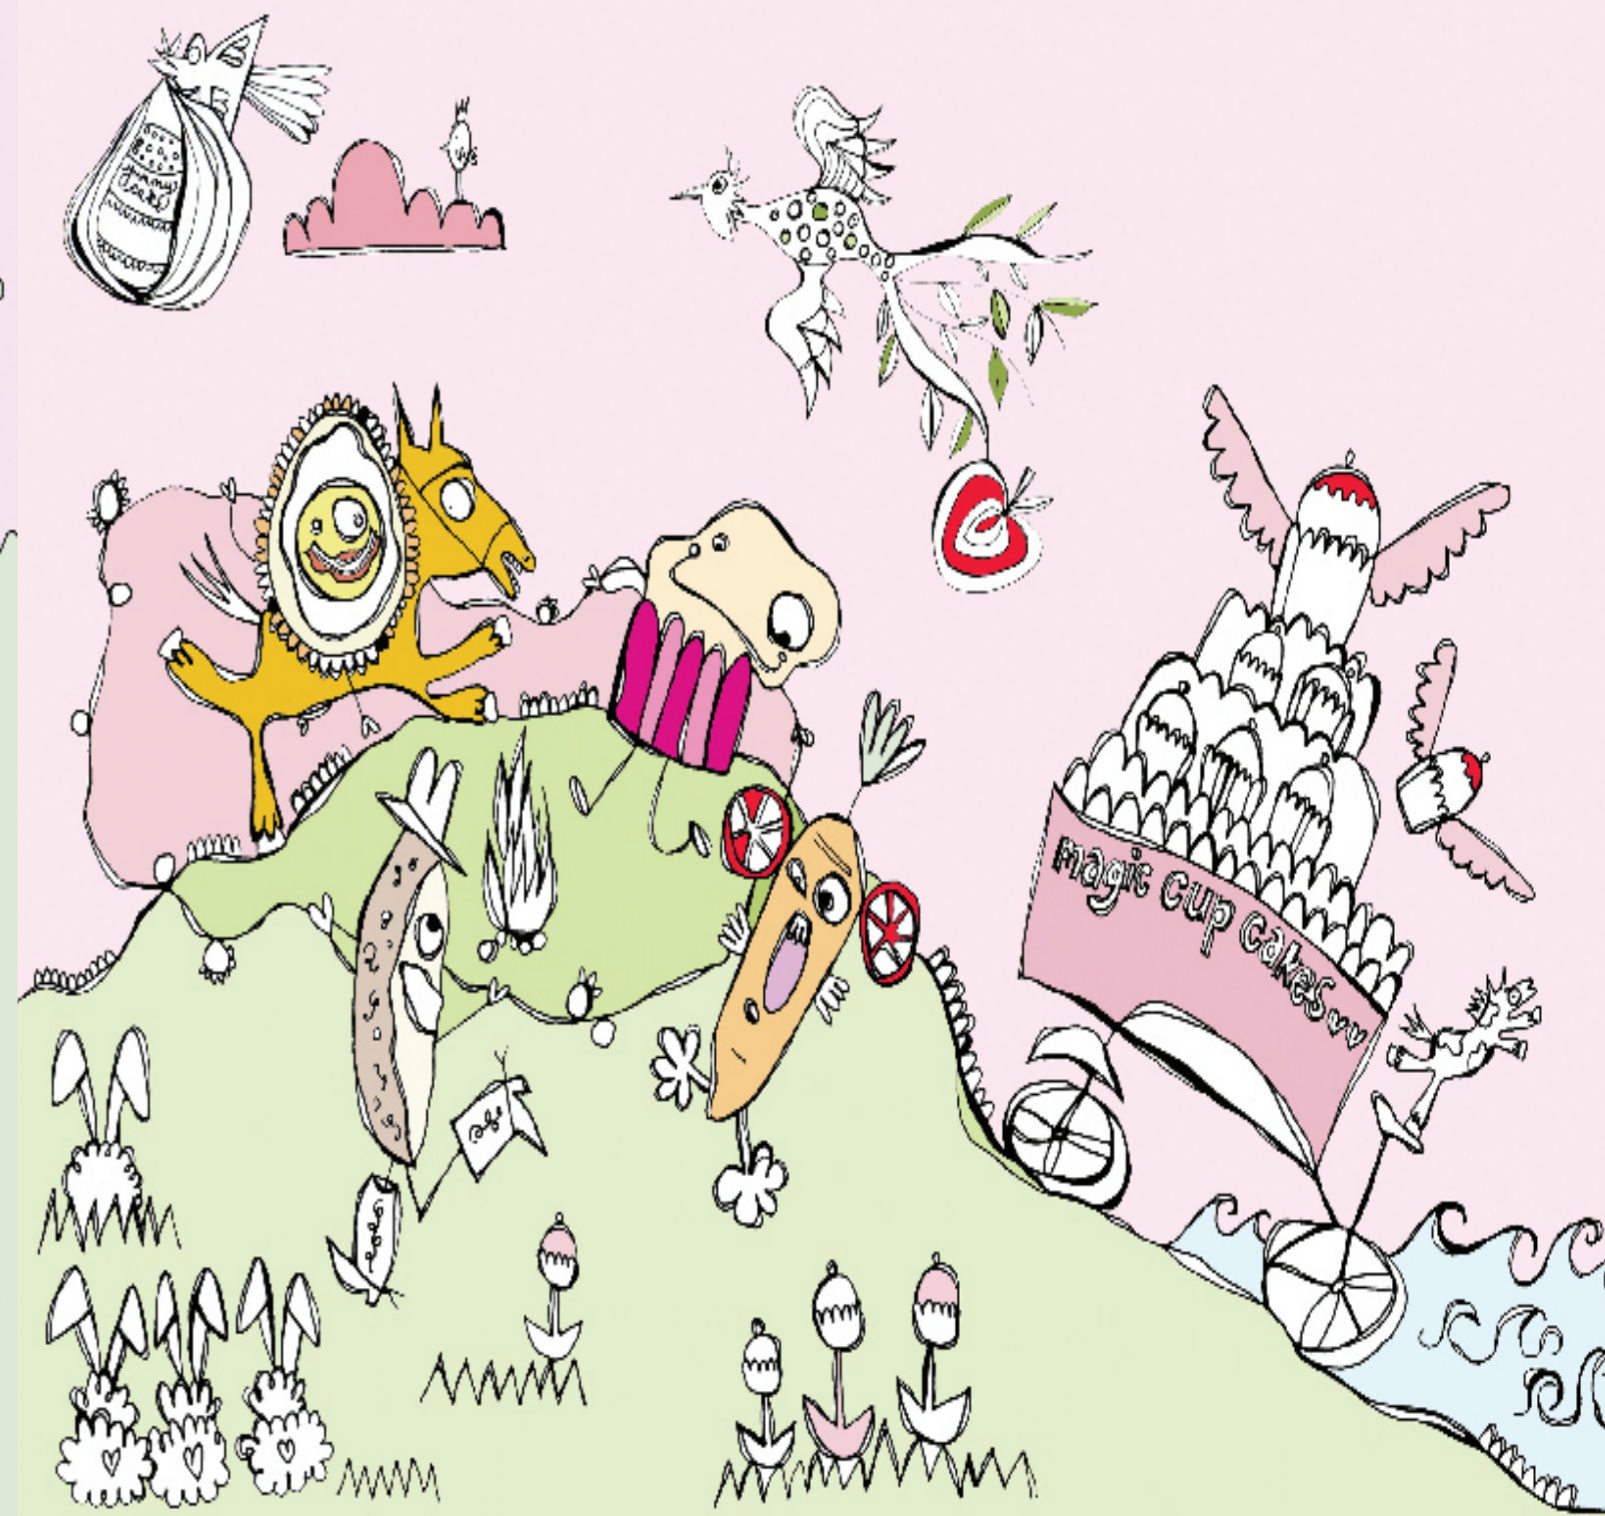

...in a village called Noordhoek,
 A potato chip escaped from a cook.
 He ran and he ran, as fast as he could
 Over the mountain and into the wood

But one scary thought kept playing on his mind:
The chef's cocktail-sausage army would be close behind.
So he went through Kommetjie and on to Kalk Bay.
Where he still couldn't find hiding, try as he may

He stopped to rest, and started to feel lonely
When out of the milkwood came a shaggy Shetland pony.
A toasted sarmie riding on its back
Invited the chip back to his shack

After a few days the sarmie was no longer a stranger
And the chip realised he was out of danger.
He met new friends: a bolognese man and a yogurt cup.
Things were really starting to look up!

They all lived together on Chapman's Peak
Where, now and then, into the village they would sneak.
The chef never caught them, which brought much laughter.
And they all lived together, happily ever after
